# Cinematic Criminal Law Trivia

Step into an immersive and intellectually engaging experience where law meets cinema. This unique event is designed as a cinematic storyline-based criminal law trivia competition, challenging participants to apply their legal knowledge, analytical reasoning, and presence of mind in a fast-paced virtual environment.

Participants will observe a specially curated live-streamed storyline on YouTube, following which criminal law-based questions will appear during the stream. Each question will require participants to scan a QR code displayed on the screen and submit their responses within the stipulated time limit.

The event aims to test participants' understanding of criminal law principles, interpretation skills, and ability to respond accurately under time-bound conditions. Through a blend of storytelling and legal analysis, the competition seeks to provide an innovative and interactive learning experience for law students across the country.
